To all Halterm customers,

CHILDREN ON TERMINAL

It is apparent that the number of trucks brought to Halterm Container Terminal with children in the cab has increased this year. Halterm management would therefore seek to remind customers, their agents and representatives that the terminal is an extremely busy working environment and only persons with legitimate business on the terminal should seek to gain entry.

In the interests of safety Halterm will refuse access to any vehicle carrying children with effect from Tuesday 2nd September. To be clear there are no facilities capable of caring for children at the terminal.

We thank you for your cooperation in this matter.
